

Christoval Community Chamber  
4702 McKee Street  
PO BOX 435  
Christoval, Texas 76935  
325-896-1065

February 1, 2011

Since 1996, the Christoval Community Chamber has been in existence organizing and providing the community with family fun events. We are an organization of volunteers who are committed to promoting civic pride and community involvement. Our events include a community wide Easter Egg Hunt, an Independence Day celebration, the Halloween Trunk n' Treat and Christmas in Ole Christoval, just to name a few. We also bring the town a local newspaper, serve as a TXDOT Adopt-a-Highway volunteer group, host Meals for the Elderly, provide the Christoval Museum of Great History and have a scholarship program for CISD graduating seniors. All of this is implemented by dedicated volunteers that continue to support the community through service.

The Eighteenth Annual "Toenail Trail Days Music Festival and Craft Fair" is scheduled for Memorial Weekend, **May 27-29, 2011** with all events being held in the City Park. The event will feature a kick-off dinner and dance, duck race, a parade, an entertainment stage and activity area, shopping, great food, a talent show, children's area and games, live music all weekend, pancake breakfast and a community-wide church service. Because of the success of past events, hundreds of people of all ages are anticipated. This event is one of the Chamber's largest fundraisers. All proceeds from this event are used by the Chamber to continue the community events and projects listed above along with preservation of the Christoval Community Chamber and its facilities.

It is, once again, with great pride and excitement that we extend this invitation to you to join the Community Chamber as a Toenail Trail Days Sponsor. You will find a list of sponsorship levels included with this letter. We know and understand budgets are tight right now and greatly appreciate any donation you choose. It is our hope that you are in love with this small community and want to be apart of it in some way. Please check your choice of sponsorship and return to the address above by **May 1, 2011**.

We appreciate your support of the Christoval Community Chamber and look forward to teaming together to make a difference in our hometown.

Truly yours,

Amy Hill  
Christoval Community Chamber President and  
Toenail Trail Day Fundraising Chair
